Once we receive and confirm your verifiable consumer request (see *Exercising Access, Data Portability, and Deletion Rights*), we will delete (and direct our service providers to delete) your personal information from our records, unless an exception applies.

We may deny your deletion request if retaining the information is necessary for us or our service provider(s) to:

### ***Exercising Access, Data Portability, and Deletion Rights***

To exercise the access, data portability and deletion rights described above, please submit a verifiable consumer request to us by:

- Emailing us at [info@renetec.io](mailto:info@renetec.io).

Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child.

You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

Making a verifiable consumer request does not require you to create an account with us. However, if you do have an account with us, we do consider requests made through your

password protected account sufficiently verified when the request relates to personal information associated with that specific account.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

For instructions on exercising sale opt-out rights, see *Personal Information Sales Opt-Out and Opt-In Rights*.

### ***Response Timing and Format***

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), then we will inform you of the reason and extension period in writing.

If you have an account with us, then we will deliver our written response to that account. If you do not have an account with us, then we will deliver our written response by mail or electronically, at your option.

Any disclosures that we provide will only cover the twelve (12) month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive or manifestly unfounded. If we determine that the request warrants a fee, then we will tell you why we made that decision and provide you with a cost estimate before completing your request.

### ***Personal Information Sales Opt-Out and Opt-In Rights***

If you are 16 years of age or older, then you have the right to direct us to not sell your personal information at any time (the "right to opt-out"). We do not sell the personal information of consumers we actually know are less than 16 years of age, unless we receive affirmative authorization (the "right to opt-in") from either the consumer who is at least 13 but not yet 16 years of age, or the parent or guardian of a consumer less than 13 years of age. Consumers who opt-in to personal information sales may opt-out of future sales at any time.

To exercise the right to opt-out, you (or your authorized representative) may submit a request to us by emailing us at [info@renetec.io](mailto:info@renetec.io).

Once you make an opt-out request, we will wait at least twelve (12) months before asking you to reauthorize personal information sales. However, you may change your mind and opt back in to personal information sales at any time by emailing us at [info@renetec.io](mailto:info@renetec.io).

You do not need to create an account with us to exercise your opt-out rights. We will only use personal information provided in an opt-out request to review and comply with the request.

### **Non-Discrimination**

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services.
- Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
- Provide you a different level or quality of goods or services.
- Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.

However, we may offer you certain financial incentives permitted by the CCPA that can result in different prices, rates or quality levels. Any CCPA-permitted financial incentive we offer will reasonably relate to your personal information's value and contain written terms that describe the program's material aspects. Participation in a financial incentive program requires your prior opt in consent, which you may revoke at any time.
